

## The pledge

India is my country and all Indians are my brothers and sisters  
India is my country and all Indians are my brothers and sisters

Brown and proud, I stand tall, with my feet upon the ground  
I see the walls of separation coming down  
Its been too long, too many lives sacrificed and its wrong

We made a pledge and all we seem to wanna do is  
Lie and cheat and forget what the real truth is  
I pray I wanna see the day when we all celebrate  
I pray for justice to be faster and not so late  
I pray for you and i  
I pray for us everyday

India is my country and all Indians are my brothers and sisters  
I love my country and I am proud of its rich and varied heritage  
I shall always try to be worthy of it  
I shall give respect to my parents, teachers and elders  
And treat everyone with courtesy  
To my people and my country I pledge my devotion  
And in their well being and prosperity  
Lies my happiness  
Jai hind
